GUNMAKERS

The Making of a Masterpiece

Established 1909 in Birmingham

A reputation equal to the established
London Gunmakers

During World War II the Company
ceased manufacturing, with very few guns
made post this period

In the early 90's Andrew Harvison resurrected
the Holloway & Naughton® Brand

Premier 28g Side by Side with Traditional
Bouquet & Scroll Engraving

Handmade by Craftsmen
of a unique reputation

No longer in search of excellence; it's here today!
