

# THE VERY *best* OF ENGLISH.

**T**he Premier sidelock shotgun range, as the name suggests, represents the most prestigious models manufactured by Holloway & Naughton®.

The Premiers are designed purely for the Field/Game shooter. Whether hunting for quail, partridge, ruffed grouse or any general driven game. These outstanding shotguns are available in side-by-side or over-and-under variants.

The engraving is in a traditional English style bouquet and scroll, however game scenes are available. Calibres include 12g, 20g, 28g & 410g and are

chambered to 2¾". With optional single or double trigger and 26" to 32" (fixed or multi-chokes) barrels made from the finest steels available. Stocks and fore-ends are crafted from high grade Turkish walnut with a choice of semi-pistol, straight hand or Prince of Wales grips.

Both variants include a handmade, fitted, traditional English toe-under leather case, accessories and tools. Visit our website to view our complete list of prices plus further information on Holloway & Naughton® fine English shot guns.
